

## **Night Fishing Code of Practice**

1. For solo night fishing, pegs 5 and 6 must NOT be used.
2. Anglers must set up before dusk.
3. All members should always carry a fully charged mobile phone.
4. Require all anglers to have adequate lighting in Peg area and when walking.
5. During hours of darkness, anglers are required to remain within five metres of their bivvy.
6. Use only serviceable equipment in accordance with manufacturers' instructions.
7. Anglers must refrain from cooking inside bivvies or tents.
8. Do not leave a cooker unattended whilst cooking.
9. Avoid cooking with large amounts of flammable fats, such as deep frying.
10. Recommendation to have fire blanket (or a water bucket) to hand.
